Comforting Others

It is an undeniable fact that usually those who have suffered most are best able to comfort others who are passing through suffering. They know what it is to suffer, and they understand more than others what a suffering person is experiencing—physically, emotionally and spiritually. They are able to empathise as well as sympathise with the afflictions of others because of what they have experienced in their own lives. Our sufferings may be rough and hard to bear, but they teach us lessons that in turn equip and enable us to help others. Our attitude toward suffering should not be, "Grit your teeth and bear it," hoping it will pass as quickly as possible. Rather, our goal should be to learn all we can from what we are called upon to endure, so that we in turn can "comfort each other and edify one another."

2 Corinthians 1:3-4 - Praise be to the God and Father of our Lord Jesus Christ, the Father of compassion and the God of all comfort, who comforts us in all our troubles, so that we can comfort those in any trouble with the comfort we ourselves receive from God.
Billy Graham *Hope for Each Day*

Mission Murmuring

Elise Long - there is cause for celebration as Recca and Jonah have now graduated and are fully fledged school teachers! They overcame significant challenges both personally and during lockdown by leaning heavily on their Lord. Long and lonely isolation with few classmates and patchy unreliable internet made studying difficult. Writing their thesis while teaching, preaching, building chapels, hiking to other villages and organizing food distribution around BK was also challenging. These Palawan scholars have done their village proud.

Teen Challenge with Grace Academy, is now in 6 states of Australia and globally, 14,00 centers in 129 nations.
